

## Praise and Prayer Report from Hal and Karen Jensen, Serving with The Navigators - Summer 2018

To our Forever Family at WOCC,

It is with with great joy and thankfulness that we send this update on our ministry here in Hawaii. We are nearing our fifth year here and looking back we are humbled at what God has done in our lives.

We are reminded of these words Solomon in **Ecclesiastes 3:1** “**To every thing there is a season, and a time for every purpose under heaven...**” These words are so significant to us as we live out the **seasons** and the **times** orchestrated by God for our lives.

As lifelong laborers with The Navigators we are committed to using the energy and passion, that only the Lord can give, to fulfill our mission here in Hawaii.

Our **Purpose** is crystal clear “**To advance the Gospel of Jesus and His Kingdom into the Nations through spiritual generations of laborers, living and discipling among the lost.**”

Our **Platform** from the Lord includes churches, the chapel community at Joint Base Pearl Harbor/Hickam, our family, and friends and community contacts.

Our **Prayers** are directed to the Lord of the Harvest that He will raise up laborers, fully committed men and women, that will share their life with others and help them grow to maturity and reproduce.

Our **Promises** from the Word of God give us perspective and hope. (Phil. 4:13, Jn. 12:24, Is. 61 :3, Jn. 15:8)

Our **People**, the specific men and women that God has give to us to invest our lives in. (Is. 43:4)

**We are forever grateful for your investment in our lives and ministry.** Soon after we moved back to Hawaii in 2013, and shared our vision with members and friends at West Oahu, you began to support us financially. Friendships forged over 30 years ago with Pastor Stan & Amy, Donna Kranz and many other wonderful sisters and brother we have met since returning, are treasured gifts from the Lord.

**Your prayers for us are especially needed.** We have several family needs- continued healing for our daughter Kristina who is recovering from brain surgery 5 months ago., and our son Peter-John as he struggles with the loss of his brother. Just last week someone broke into our home, entered our bedroom at night while we were sleeping, and stole much needed cash. We will both be teaching at Pearl Harbor Chapel again this Fall and are asking the Lord to bring men and women into our lives to be discipled. On Sept 6th we fly to Colorado Springs to attend 2 conferences with The Navigators. We want God to use that time away to refresh us and retool us to better serve our Savior. The desire of our soul is to His name and to the remembrance of Him. **We want to live out II Tim 4:7..."I have fought the good fight, I have finished the course, I have kept the faith"**

In His Matchless Grace,  
HAL AND KAREN
